Having, in consequence of Your Excellency's Office of the 26th. Instant, called upon Pedro Carlos Rollin, Clerk in the British Mercantile House of March Sealy & Co., to explain his conduct in bringing ashore several Passengers from the British Brig William - before that Vessel had received the usual Visits; I have to acquaint Your Excellency that he has promised to wait upon Your Excellency, and state the Official Authority he had for going on board the William for that purpose: which Authority, he says, the Guards on board considered to be sufficient to permit the immediate debarkation of the said Passengers.

I have much pleasure in renewing to Your Excellency

the

the Assurances of my profound
Consideration and Respect.
