Sir= Finding no order has yet been trans=
mitted to the Commissioners of His Majes=
ty's Customs, relative to the Box, which has
been some time laying at the King's Ware=
house, received from Dover, and containing
articles for the use of Their Majesties The Em=
peror of Brazils, and the Queen of Portugal,
mentioned in my note of the 3d. ultimo,
and again on the 16th of the same month.
I have the honour to request you will inform
me if any difficulty exists as to its transit
to Brazils, that I may account to My Au=
gust Sovereign for the delay which has occurred
in transmitting the same by the Mail to
be dispatched to morrow. I have the honour
to remain with assurances of my high consi=
deration &c— Mattos= Sir George Shee Bart
under Secretary of Foreign Office

Sir George Shee presents his compliments to
the Chevalier de Mattos and, in reference to
his note of the 4th Instant, stating that no order
had been given respecting the Box containing
articles for their Majesties The Emperor of Bra
zil and the Queen of Portugal, and requesting

to be informed if any difficulty existed as to its transit to the Brazils, has the honor to acquaint the Chev.r de Mattos that it appears from enquiries made by direction of the Lords of the Treasury that the only Case now in the King's Warehouse addressed to The Chevalier de Mattos, and which arrived from Dover on the 16th of October last, is found to contain Liqueurs; but that the Box in question has not yet reached the Custom House. = Foreign office January 6th 1831.

Chevalier de Mattos presents his compliments to Sir George Shee, and has the honour to acknowledge receipt of his note of the 6.th Instant, in which he is surprised to find it stated that the Box to which his note of the 4.th refered should have been reported to contain = Liqueurs = If on further examination, such should really prove to be the case, Chev.r de Mattos desclaims all knowledge of the circumstance. But if otherwise, he begs to renew his request that it may be forwarded to the port of Falmouth

under Seals of office, when the necessary
directions will be given to His Imperial
Majesty's Vice-Consul at that port as to
its shipment for Rio de Janeiro. — Wim-
pole Street 11 January 1838.
