The undersigned
Chargé d'Affaires of the United
States of America, has the honor to
address His Excellency Mr Calmon
du Pin e Almeida, Councillor,
Minister and Secretary of State
for Foreign Affairs, and to request
his intervention, to rectify an
omission in the case of one of the
liquidated claims. In the case
of the schooner Tell Tale, a small
Invoice amounting to 400 dollars,
was not admitted in the body of the
settlement, owing to a delay in the
receipt of the necessary documents
to substantiate it: These however,
were received before the conclusion
of the business, and the amount was
inserted in the award, as an "Article
Additional", & probably on this
account escaped the notice

of the officers of the Treasury in preparing the Cedulas. The undersigned therefore requests His Excellency to have the kindness to direct its adjustment; and as the amount is so little, it would perhaps be most expedient to issue a single Cedula, selecting the medium term of payment, which is the 28th of August 1830.

The undersigned avails himself of this opportunity to repeat to His Excellency Mr Salmon the assurances of his very high respect & consideration.

Legation of the U.S.A.
Rio de Janeiro December 16th 1829.
