Sir,

The Fourth Conference of the Open Door International for the Economic Emancipation of the Woman Worker will be he... in Christiansborg Castle (Houses of Parliament), Copenhagen, Denmark, from August 19 - 23 1935.

I am instructed by the Board of Officers to invite your Government to appoint an Official Observer, to be present the Conference, and to be able to report to you its proceedings. The question of the status of women is to the fore to-day. The Conference will discuss means to improve the status of the woman earner, and will therefore be of interest to all Governments. I enclose a copy of the Call to the Conference, which has been sent out, and of the preliminary Programme, and hope to learn that the Conference will be honoured by the presence of your Official Observer.

I have the honour to be,

Sir,

Yours truly,

Winifred Le Sueur

Hon. Secretary.
