Lord Aberdeen presents his Compliments to the Chevalier de Thattos, and requests that he will have the goodness to inform him whether it is his wish to witness the ceremony of the Funeral of His Late Majesty on Thursday the 15th. Instant.

Lord Aberdeen will be happy in that case to send to the Chevalier de Thattos a Ticket for his personal admission, and regrets that the smallness of the space allotted for the reception of the foreign Ministers will not admit of his sending more than one Ticket to the Chevalier de Thattos.
