Alma Mater

Hail to thee, our Alma Mater!
Of thy fame we sing today;
And our hearts exult within us
As this tribute we thee pay.
For we love thy sacred precincts
Thy fair banners bright and gay;
And thy name shall live in honor
Though thy walls fall to decay.

O beloved Alma Mater
Thou hast stood the test of years
And today thy name unsullied
Wins the rev'rence of thy peers.
Though thy walls fall to decay,
Fair shalt thou be as of yore,
Hail to thee our Alma Mater
"Old Manhattan, evermore."

GRADUATES URGED TO STUDY POLITICS

Manhattan Class Hears Appeal on Citizenship—695 Get Degrees From Spellman

The Manhattan College graduating class was urged yesterday by Judge Albert Conway of the State Court of Appeals to become interested in "grassroots" politics because their first duty as college graduates was to be good citizens.

In the commencement address, he warned the graduates not to "look down your nose" at politicians but to beocme interested in the local political organizations because that was the only way to guarantee good government.

Judge Conway declared that colleges must train men to become "participating citizens" in a democracy.

"If twenty business and professional men would attend the local headquarters meetings in their district and contribute their brains and experience, as participating citizens in a republic should," he said, "they would either revolutionize the political thinking there, or their own thinking."

The largest graduating class in the history of the college took part in the outdoor ceremonies on the campus and attended by 6,000 persons. Six hundred and ninety-five seniors from the four schools of the college received bachelor's degrees from Cardinal Spellman, who presided. It was Manhattan's 100th commencement since the college was founded in downtown New York in 1853.

Other Degrees Awarded

In addition to the seniors, the extension division awarded Master of Arts degrees to eleven Christian Brothers and conferred bachelor's degrees on seventy-one nuns.

Honorary degrees of Doctor of Laws were awarded to Dr. Mauricio Nabuco, Brazilian Ambassador to the United States; Justice Conway, and the Right Rev. Edward T. Hoar, vicar general of the diocese of Brooklyn.

In another ceremony in the university president's office, Dr. Nabuco made a recording for the State Department that was beamed to twenty-one Latin-American countries last night on the Voice of America.

Brother Bonaventure Thomas, the president, awarded the Manhattan College Medal of Honor to John J. Fitzgerald, class of '91. A retired judge of the Kings County Court, Mr. Fitzgerald served in Congress from 1899 untill 1917. Diamond Jubilee medals were presented to six members of the class of '01.

HONORARY DEGREES

Honorary Doctor of Laws degrees were conferred on the following:

DR. MAURICIO NABUCO—Brazilian Ambassador to the United States, son of Joaquim Nabuco, who has come to be known as the Abraham Lincoln of his country, international diplomat for the past thirty years, secretary of the Brazilian delegation to the Versailles Peace Conference in 1918, former Ambassador to Chile, former Ambassador to the Vatican, author of Civil Service reforms now effective in his country.

ALBERT CONWAY—Former assistant District Attorney of Kings County, State Superintendent of Insurance, Justice of the New York State Supreme Court, associate judge of the Court of Appeals, Knight of St. Gregory, well known for his devotion to many civic and charitable movements.

MSGR. EDWARD P. HOAR—Born in Brooklyn. Selected from the earliest days of his ministry for positions of confidence and trust, director of Cathedral College in Brooklyn, Rector of the Brooklyn Diocese seminary, pastor of St. Francis Xavier parish, vicar general of the diocese, Domestic Prelate, Prothonotary Apostolic.
