ARQUIVO HISTÓRICO DO ITAMARATY

Rio de Janeiro. April 10 1826.

The Undersigned Plenipotentiary

of His Most Faithful Majesty has

received the Note of His Excellency

The Viscount of Inhambupe of

the 2d. Instant making known to

him that His Imperial Majesty

had been pleased to accept the

His Excellency

The Viscount of Inhambupe

&c &c

afsudance that Its Most Faithful

Majesty is determined to fulfil

the engagements contracted by the

Notes exchanged at the moment

of the signature of the Treaty of

the 29th of August, and

expressing the hope that Its

Majesty will consent to substitute

a document more exactly conformable

to the preamble of that Treaty.

than the "Carta patente"

ARQUIVO HISTÓRICO DO ITAMARATY

which was delivered to the Brazilian

Plenipotentiaries upon the same

occasion —.

Although the knowledge of

the equitable views of His Most

Faithful Majesty enables the Undersigned

to renew the assurances which

he has already had the honor to

give upon this subject, he cannot

but take the liberty of observing

that the communications of a

Brazilian Ambassador at Lisbon

with the Portuguese Ministers

appears to him to offer a better

opportunity for explaining the

precise nature of the proposition

contained in the Note of His

Excellency the Viscount of Inhambupe,

and will indicate, more to the

satisfaction of His Imperial

Majesty, the mode in which

the intendents of both Parties require

that

ARQUIVO HISTÓRICO DO ITAMARATY

that it should be considered —.

The Undersigned avails himself

of this opportunity to renew to

His Excellency the Viscount of

Inhambupe the assurance of

his highest consideration —
