Foote and anor. ats Fonseca

Gentlemen

The Rule obtained by the defendts in Easter Term 1844 (and in which the Plaintiff joined) for the examination and Cross Examination viva voce of Witnesses abroad in this Cause became unnecessary to be carried into effect on the part of the defts in consequence of the arrival in England of their Witnesses. I therefore beg you to take Notice that it is not intended to proceed with the said Commission and that the Rule so obtained is abandoned.

Yours &c.
