ARQUIVO HISTÓRICO DO ITAMARATY

Sir,

Three weeks have nearly elapsed, since I had the honor to announce to your Excellency, that I was prepared to enter upon the consideration of the questions, by which the interests of my Court in this Country are affected, and your Excellency's assurances, that no time should be lost in directing the attention of the Brasilian Government

His Excellency

Luiz José de Carvalho e Mello

to these subjects, are so little
compatible with this delay, that I
no longer hesitate to solicit an
explanation of the motives preventing
the fulfilment of promises, which
will have induced the British
Government to look for the immediate
termination of the Negociation —

I am the more anxious
that your Excellency should favor
me with a decisive answer upon
this head, since my advices from
England remove the obstacles,
which might have impeded the
settlement of the several points at
issue, and define the term

ARQUIVO HISTÓRICO DO ITAMARATY

assigned for my continuance in

Brasil —

I have the honor to be

with the highest consideration,

Sir,

Your most obedient

humble Servant

G. Stuart
