Rio de Janeiro, September 2 1825

Sir,

Your Excellency's Note of the 1st Instant induces me to apprehend, that my Verbal suggestion, respecting the Brazilian Ratification to the treaty signed on the 29th of August, in our conversation of that day, has been perverted or misunderstood, for I particularly recommended, that the title assumed by the Chiefs of the Brazilian Government

His Excellency

Luiz José de Carvalho e Mello

should be held by the Grace of God.

and according to the Constitution of

the State —.

The Resolution rather to adhere

to a Form, which is incompatible

with the Preamble of the Treaty.

having opposed an impediment to

the Execution of the Engagements of

His Most Faithful Majesty to

the exchange of the Ratifications

within Six Months, I must

deprecate any measure, which may

tend to anticipate His Said

Majesty's determination upon the

subject, and I, therefore, announce
to your Excellency that I shall
solemnly protest against any publication
of the stipulations contained in the
treaty and Convention, before those
Acts shall have received the
sanction of the King of Portugal
according to the usual forms —.

I have the honor to be
with the highest consideration.
