ARQUIVO HISTÓRICO DO ITAMARATY

Rio de Janeiro

October 18 - 1825 -

The Undersigned His Britannic

Majesty's Plenipotentiary, having fully

weighed the reasons, which induce the

Government of His Imperial Majesty

to hope that, in giving effect to the

Treaty, which fixes the Abolition of the Slave trade at

the close of four Years, due

consideration will be paid to the

Their Excellencies,

The Brazilian Plenipotentiaries

interests of those Individuals, who

may, in good faith, have adventured

their property in Commercial Enterprises

connected with that Traffic, which

shall not have been finally

terminated at the expiration of

that time, understands,

that a reasonable period will be

allowed, by special agreement

between the two Countries, which

may enable them to wind up

their Affairs —.

ARQUIVO HISTÓRICO DO ITAMARATY

The Undersigned avails himself

of this opportunity to renew to Their

Excellencies the Brazilian Plenipotentiaries

the assurances of his highest consideration.
